        //Navigation scroll handler
        jQuery('#small_nav').css('top','1253px');
        //This is hidden in the beginning to prevent a sudden flash of the nav while its being positioned.
        jQuery('#small_nav').css('display','block');
        //Add in the on scroll listener and its handler
        window.onscroll = WH.scrollHandler;

        //Fix IE6 PNGs
        WH.UpdatePNGs();

        //Add Page Animations
        WH.AddAnimations();
    }
};
